Handcrafted and hand-tufted, this headboard is the perfect backdrop for a bedroom. Together with a wingback shape and nail head trim, you get a simply fabulous focal point.

vertical strips lines are the trend in current designs. Combining these lines with soft fabric touches and glamorous wooden textures, the result is a luxurious, modern and comfortable bedroom

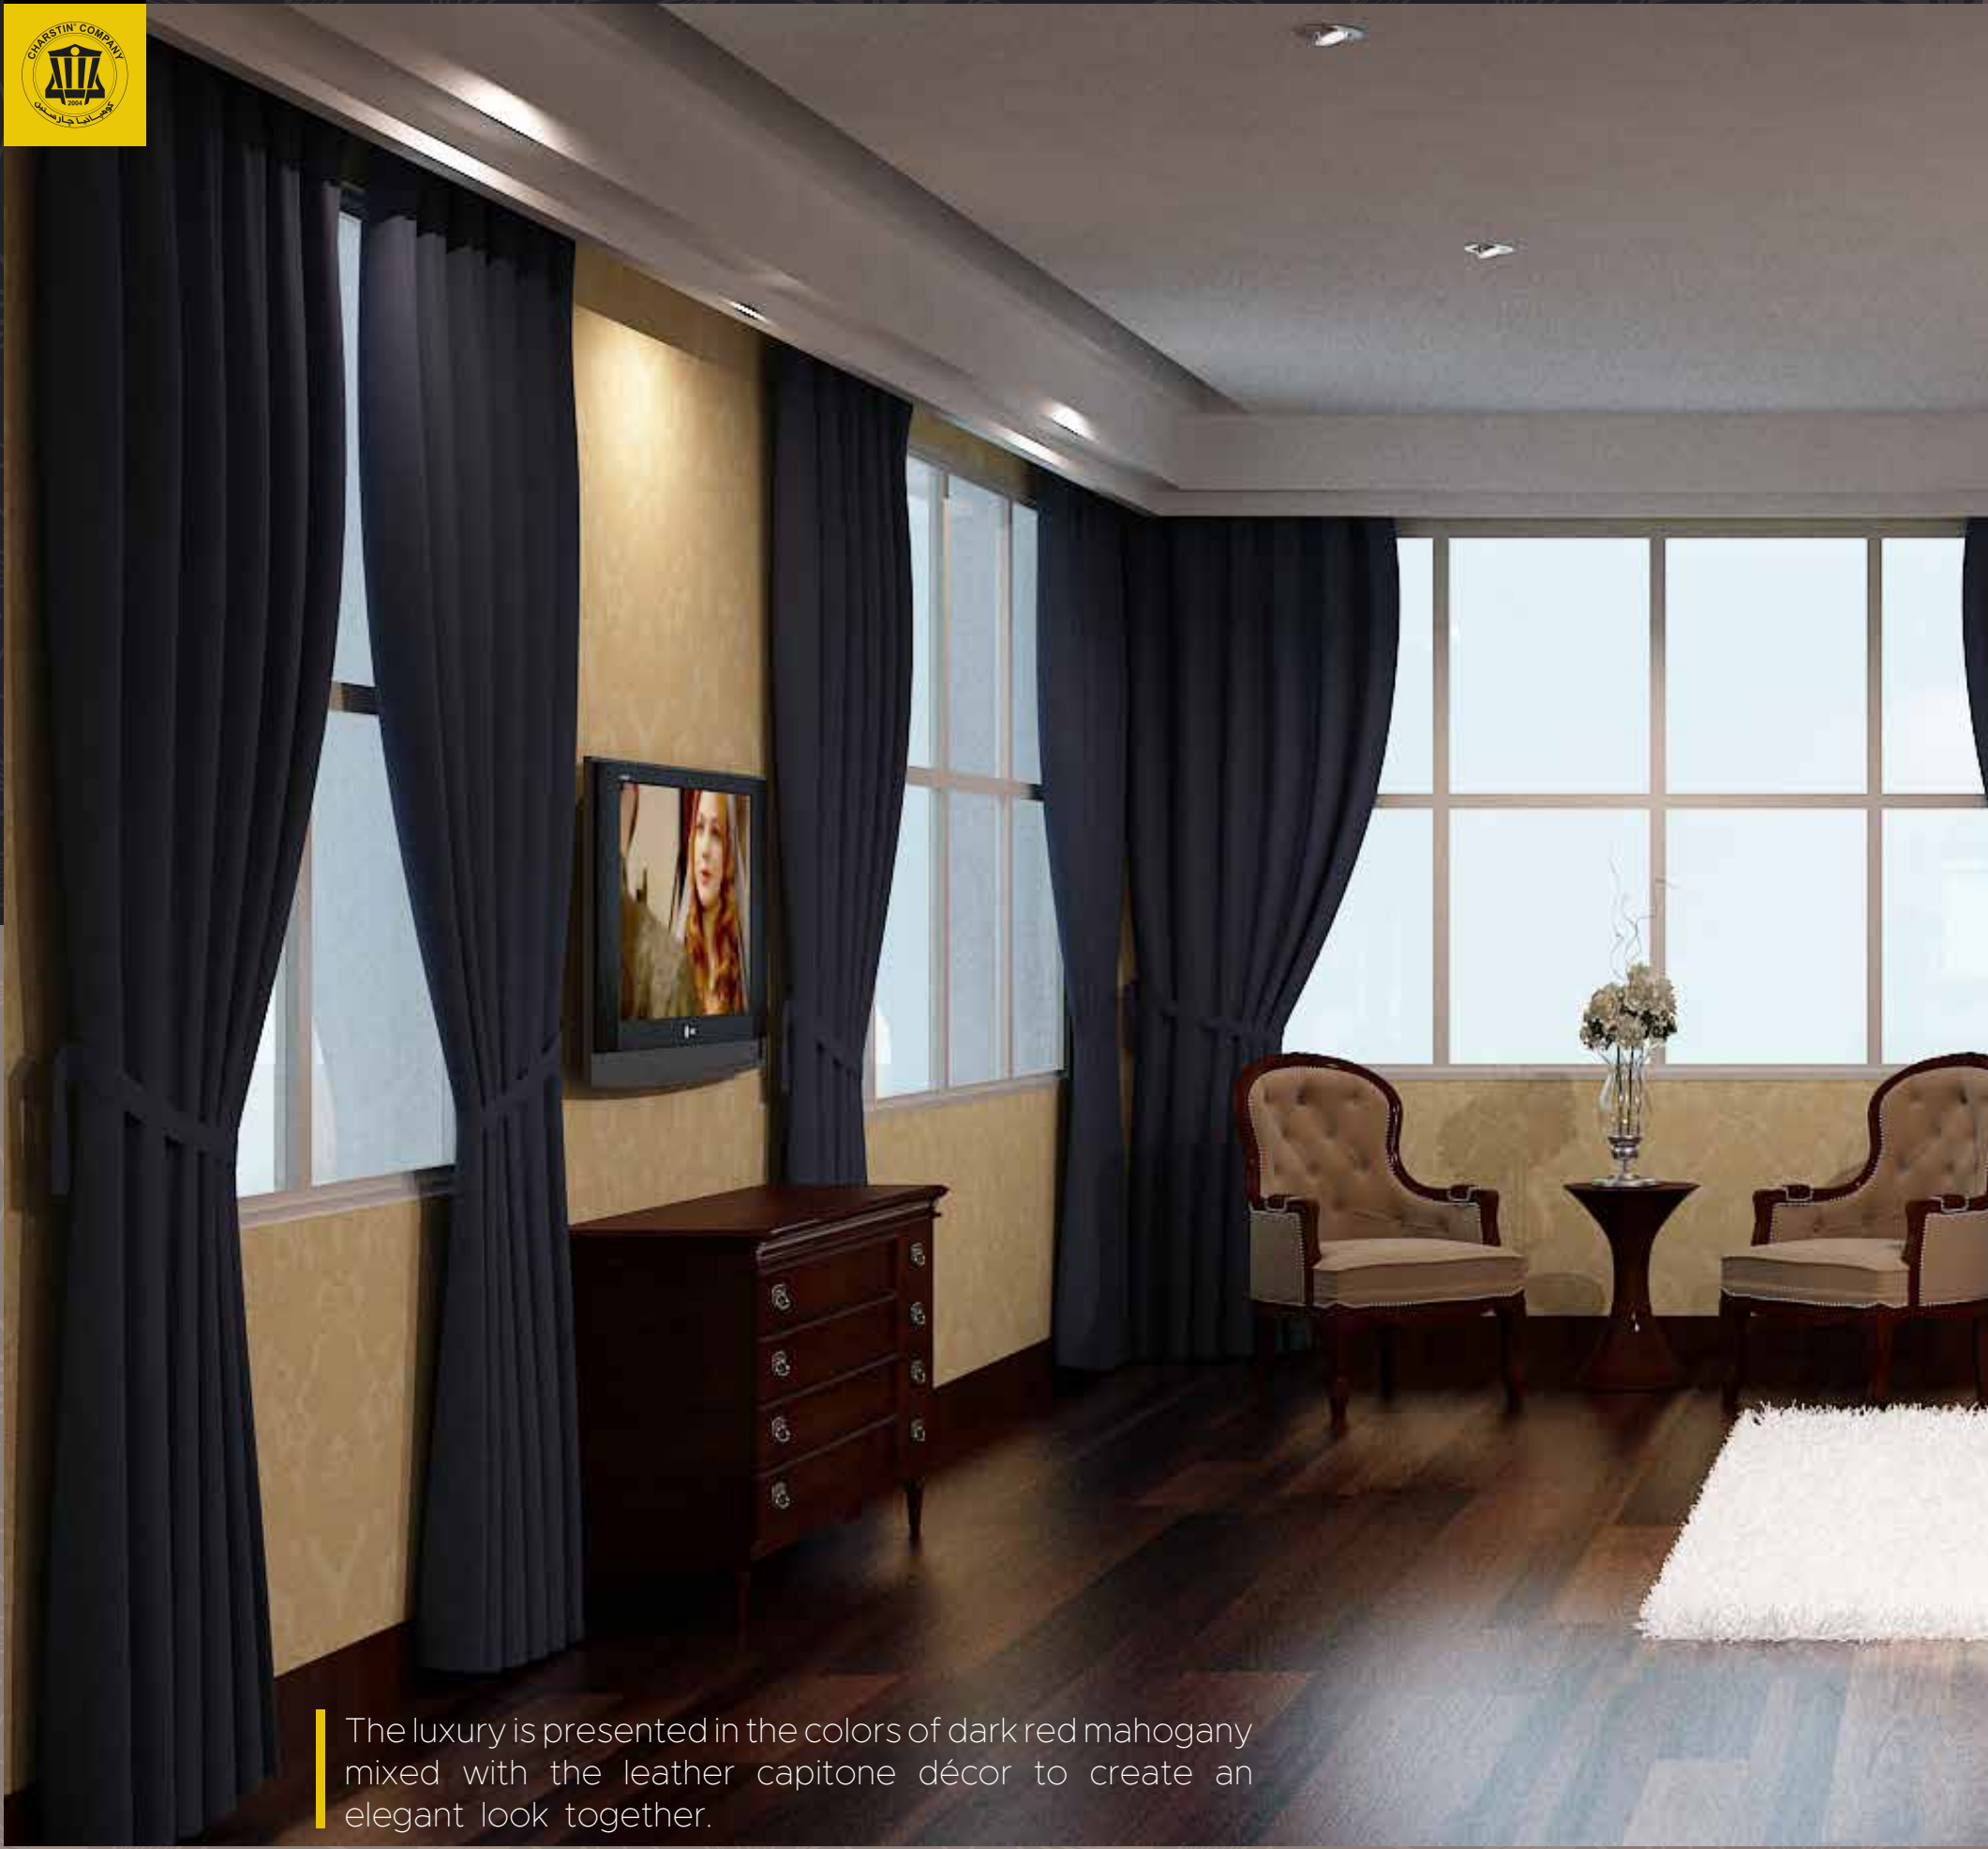

CHRISTIN

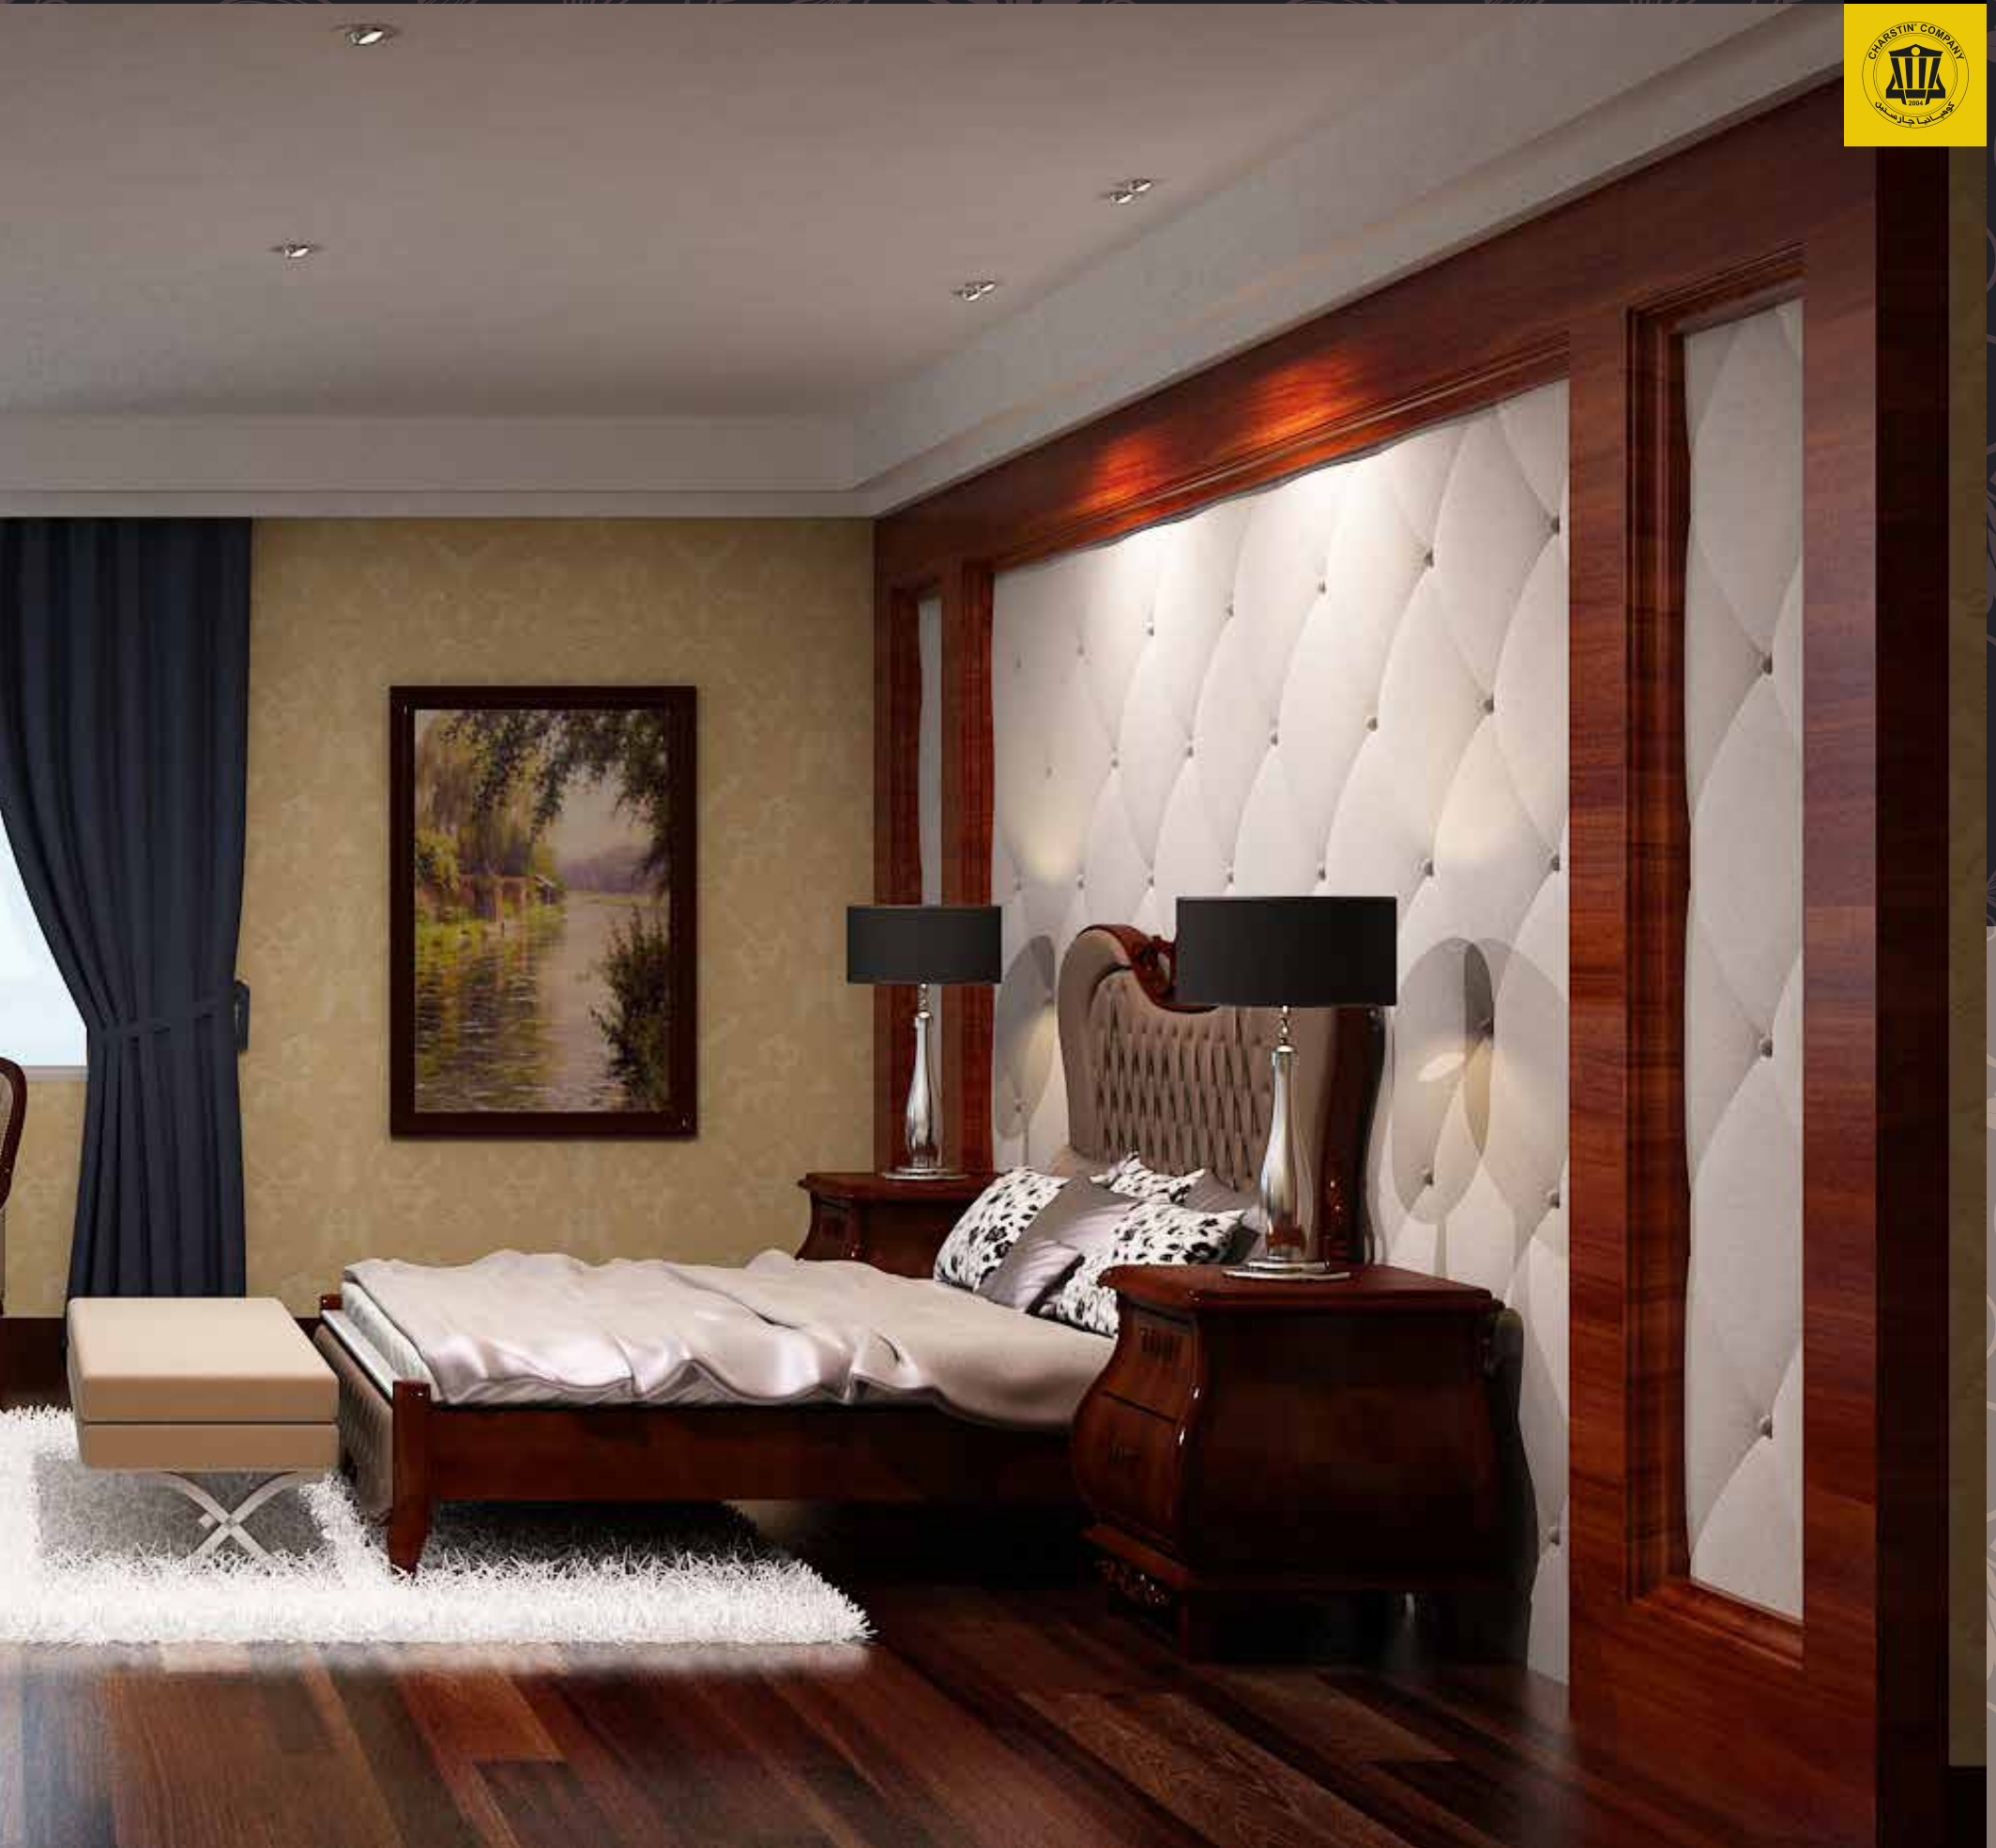

Boldness and creativity in designing youth bedrooms give a sense of vitality and a departure from the ordinary, and at the same time we guarantee you a fully functional space

The luxury is presented in the colors of dark red mahogany mixed with the leather capitone décor to create an elegant look together.

Natural forms and feminine grace inspire this bedroom design. The chests of drawers, night tables and writing desks are characterized by wavy profiles and thin “s-shaped” legs with carved decorations on the edges and legs.

Curved and sinuous lines ending in curls, shells and flowers frames and surfaces and bed headboards. The richness and imagination of the carving, along with the elegance of the proportions, make the rooms sumptuous but cozy
